

IHB Microalgae Biotechnology Symposium

Tuesday, April 14, 2016
Institute of Hydrobiology-CAS, Wuhan, China

Thursday, April 14				
Time	Title	Speaker	Institution	Session Chair
8:30-8:40	Welcome Speech	Xudong Xu	IHB	Qiang Hu
A. Overview of Microalgal Research in the World				
8:40-8:45	History and progress of Center for Algal Biology and Applied Research	Renhui Li	IHB	Min S. Park
8:45-8:50	Introduction of Center for Microalgal Biotechnology and Biofuels	Danxiang Han	IHB	
8:50-8:55	Reliance bio-fuels initiatives	Ajit Sapre	Reliance Industries Ltd, India	
8:55-9:00	Industrial potential of microalgae for applications in food, feed and specialty chemicals in the Netherlands	Rene Wijffels	Wageningen University	
9:00-9:05	Microfluidic applications for microalgal research	Sang Jun Sim	Korea University	
9:05-10:20	B. Round Table Discussion and Free Talk			Min S. Park
10:20-10:40	Coffee Break			
10:40-12:00	C. Poster Exhibition and Awards			Renhui Li
12:00-13:00	Lunch at IHB Dining Room			
13:00-17:00	Tour
